Gold Rush Walnut

Features

Every plank is hand-scraped and distressed to achieve the rich texture and patina only time could create ... until now.

- This product features ScufResist™ PLATINUM - Shaw's extremely wear resistant UV cured polyurethane finish with Aluminum Oxide. The new and improved ScufResist™ PLATINUM is designed to help resist household scuffing on hardwood floors.
- This hardwood is rated Moderate with distinguishable color and character variations within each box. It is **imperative** that hardwood planks from various cartons be continually blended during installation to insure optimum appearance.
- This Shaw product can be installed above, on or below ground level
- This hardwood is approved for installation over water type radiant heated subfloors when installed as a glued or floating floor. (*Oak, Ash, Hickory or Walnut veneer species only.)*
- Installation methods: nail, staple, glue, float
- Made with Pride by Shaw in the USA
