Springfield Plank | floating luxury vinyl plank

Features

- Elegant, smooth planks give a traditional feeling that's both welcoming and sophisticated
- Fruitwood "species" in popular, best-selling colors
- Matte, wood-ticked surface increases the realistic look

Fiberglass body: Won't shrink and contract with extreme temperature and moisture variances, more stable and flexible than other compositions

Virgin vinyl: No heavy metals or contaminants, which creates more stability

Springfield Plank

Specifications

Style	0077V
Size	5" x 48"
Thickness	4.5mm
Wear Layer	20 mil
Finish	ArmourBead™
Installation	Floating

Easy floating installation—planks adhere to each other, not to subfloor.

Wear layer that offers astounding performance and is up to 5 times more durable than typical polyurethane surface.
