Cape Ann

Features

Artistic solid oak in 4" wide planks—reminiscent of time-worn painted floors.

Cape Ann is not only hand-crafted—so each board is one-of-a-kind—but it's knockout high style, with four completely unique colors.

Colors:

- **Ipswich**—a warm grey that allows the natural wood tones to shine through
- **Gloucester**—macchiato shades of cream, honey, and brown *Ipswich and Gloucester have visible cross-sawn marks and some chatter. Multiple layers of glaze and stain are applied and rubbed off, causing huge creative variation in the floor.*
- **Rockport**—a distressed white; the surface is brushed, sanded, painted, and rubbed through to expose the natural grain and give the feel of an antique floor
- **Manchester**—rich black-brown, like a saturated espresso; use of this dark color, with its dark highlighting of the grain, creates an exotic feel; saw marks are visible
