Eastlake Hickory and Catella Maple
These two smooth-surface styles offer popular 8"-wide planks in the lustrous look of maple and hickory. Soft, subtle graining, characteristic wormholes, and color variations give an aged, gracefully worn finish.

Nightsong Hickory and Landmark Hickory
Trendy 8" planks are a sought-after visual, giving these laminate styles added appeal. Both share the look of reclaimed hickory, with marks of age and wear and antique shading on the edges.

Seneca Maple and Holbrook Maple
These two styles come in 8" planks that suggest the appearance of two strips within each plank. There's high variation among the planks and a painterly, watercolor effect that creates a sophisticated visual.
