Heartland

Features

Heartland showcases five oak colors with naturally random variation providing a distinct visual range — from planks with extreme character, graining and color variation to those with a clean and consistent look...and everything in between. Extreme variation should be expected.

- This hardwood is rated High with high color and character variation within each box. Mixing planks from different boxes is **imperative** for a uniquely beautiful floor.
- Heartland carries a limited lifetime wear warranty
- This product features ScufResist™ PLATINUM – Shaw's extremely wear resistant UV cured polyurethane finish with Aluminum Oxide designed to help resist household scuffing on hardwood floors.
- Installaion methods: nail, staple, glue, float
