SLIM LINE

Shaw's Slimline Series is collection of ultra-thin, beautifully crafted, tile & stone products. This unique construction not only reduces raw material usage but is far lighter than traditional tile products making transportation more efficient. The ultra-thin construction of the Slimline series also allows for faster installations and streamlined remodels in many applications.

Field Tile	Style
3" × 6"	CS64J
Mosaic 2" × 4"	CS65J
Mosaic 4" x 4"	CS63J
Linear Mosaic 5/8" x 21/4"	CS66J

Shaw suggests installing this and other glass products with Merkrete's Integra all-in-one thinset and grout. It is an excellent solution for setting glass and mosaics on backsplashes and in other applications, resulting in a faster and cleaner installation.

Product Description

BASIC USE: Merkrete Integra mortar's both a thin set adhesive and grout for installing glass tile on walls and floors.

Technical Data

Applicable Standards: Integra meets or exceeds industry requirements ANSI AII8.4 for latex portland cement mortar. Follow ANSI A108.5 for installation. ANSI All8.6 for portland cement grout and ANSI All 8.7 polymer modified $\bar{\text{c}}$ cement grout. Follow the TCA Handbook and ANSI A108.10-1999 Installation of Grout in Tile work.

Products installed in an exterior application must comply with applicable ANSI 108 series of the "American National Standard Specifications for the Installation of Ceramic Tile" and comply with TCA installation methods applicable to installation conditions..

Approved Usage
