Riverdale Hickory | laminate

Features

This dynamic hickory style is the laminate version of our top-selling Grand Canyon hardwood, with its well-crafted, high-quality, time-worn look. Riverdale is embossed in register, which brings to life the unique hand-scraped and graining texture of this beautiful design.

The durable 12-mil beveled edge format brings not only enhanced sound absorption but an exceptionally natural look.

- 5" wide planks
- Beveled edges create a realistic visual
