Features

High style! This hand-scraped hickory comes in a beautiful array of colors and a hot wider width.

Consumers are sure to respond to the wider planks, eye-catching scraping technique, and gorgeous color.

The color is special, because it's achieved through a multi-step staining process in which each color layer is hand-rubbed. The result is really rich, deep color saturation with stunning variation within each plank. Cheaper competitive products can't compare with our quality or beauty.

- Lustrous satin finish—for a warm, elegant look.
- Stellar advantages of Epic with EnviroCore: harder-densergreener, extremely eco-friendly, easy to install, breathtaking styles, and outstanding performance.
